

This is SCARAB

SCARAB has been synonymous with performance boating for 50 years, but we're constantly evolving and taking the boating experience to the next level and beyond. Performance now means not only speed but also agility and handling, going where you want, exploring new waters, and providing new water activities. Scarab, bold, fresh and exciting, the next generation is now.

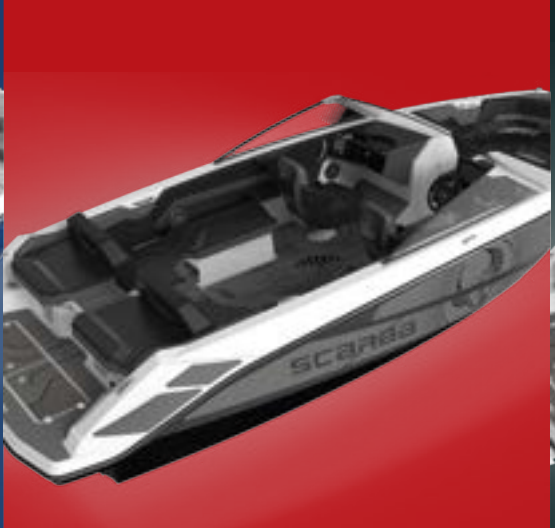

The Clear Choice

With three trim levels to choose from, Scarab has a model to fit your boating dreams. Whether you prefer a clean, sleek look or a bold, aggressive design that commands attention, there is a trim level to match your preference. Each model is carefully designed and crafted, offering the perfect blend of features and technologies to suit your needs and elevate your experience on the water.

SE

A classic choice, sleek and modern the SE is all Scarab in a more subtle package. Well-equipped and ready for the water it is an easy first choice for most boaters.

LX

Make a statement with the LX trim level, with a bold look and featuring color-matched interiors, marine mat flooring, striking exterior graphics, with more standard equipment than the SE.

LX WAKE

The LX WAKE is the ultimate water activity choice! All the striking appearance and features of the LX, plus our WAKE Edition Package. Nothing is held back for maximum enjoyment.

285 SERIES

The 285 is Scarab's flagship and the largest production jet boat on the water today, offering expansive space for your entire crew—and their friends too. It features our most advanced helm station, equipped with dual Medallion® Viper touchscreen displays that put you in complete control of everything, from RGB lighting to setting the perfect surf cruise speed. A standard integrated tower and hardtop provide sun protection and an ideal tow point. Upgrade to the WAKE model to unlock the ultimate do-it-all Scarab activity experience.

235 SERIES

The newest model to the fleet, the Scarab 235 Series, is a powerful all-around performer that truly embodies everything Scarab stands for in performance. Spaciousness and innovative seating configurations are all bundled into this complete package. As Scarab's most capable wake boat, it's perfect for watersports enthusiasts and family adventures alike. Another groundbreaking feature is the integration of the ROTAX® iDF Intelligent Debris-Free System, offering hassle-free operation and added peace of mind. The 235 Series is the ultimate combination of performance, versatility, and innovation.

215 SERIES

The Scarab 215 Series takes performance to the next level in an easy-to-trailer size, offering enhanced features and, most importantly, up to 600 horsepower. Powered by impressive twin ROTAX® engines, the 215 is arguably the most potent 21-foot jet boat on the water today. For watersports enthusiasts, the 215 LX WAKE trim level adds everything needed for wakeboarding, wake surfing, and more. If you're looking for the ultimate jet boat experience, this is it.

195 SERIES

The 195 Series is where the Scarab Jet Boat legacy begins, offering an ideal entry point into the brand's lineup of boats. With its unique 3D windshield and sleek, signature lines, it captures the essence of Scarab design. Smart seating configurations and an easy walk-through transom provide functionality and comfort, making this 19-foot series a standout choice.

255 OPEN SERIES

The 255 Open is a center console design that's unmistakably Scarab. Powered by twin ROTAX® engines, it delivers impressive performance and effortless maneuverability, allowing you to explore shallow waters where traditional prop drives can't go. The versatile cockpit seating easily adapts for fishing and sunbathing, making it perfect for any adventure. And when it's time to unwind, the folding tailgate swim platform transforms the boat into the ultimate sandbar hangout —tailgate party on the water? Count us in!

235 OPEN SERIES

Our newest 23-foot center console, the 235 Open Series, is a true standout on the water. With an innovative, out-of-the-box design, it delivers all the versatility of a traditional center console—plus significantly more power and performance than its outboard competitors. And yes, you can surf it. The 235 WAKE trim takes watersports to the next level in a center console, with T-top racks, a touchscreen Medallion® Viper display with surf mode, and all the must-have features for your time on the water.

Active Boating

Scarab is built for those who desire an active boating lifestyle. Whether you're chasing the perfect wake, exploring new waters, fishing the bays, or soaking up the sun with friends and family, every ride is an opportunity to make memories. With exhilarating performance, versatile features, and a design that makes a bold statement, Scarab brings energy and excitement to every moment on the water.

Geared Up

Scarab's are packed with cutting-edge features designed to elevate your time on the water. From advanced technology to thoughtful design touches, every detail is engineered to maximize your comfort, performance, and fun. Whether you're into watersports, relaxing with friends, or exploring new waters, Scarab ensures you're equipped for every adventure.

1. WIRELESS CHARGING

Securely hold and wirelessly charge your phone for easy access on the water.

2. BALLAST SYSTEMS

Dial in your ride with precision. Fill or empty specific ballast bags effortlessly using the Medallion® touchscreen controls.

3. TOWERS AND BOARD RACKS

Premium folding watersports towers, with optional board racks and speakers, add versatility and utility.

4. PREMIUM SOUND PACKAGE

Turn up the fun with upgraded JL Audio speakers and RGB lighting throughout the cockpit.

5. CHIL™ COOL TECHNOLOGY

Innovative fabrics on the LX trim level reflect the sun's heat, keeping you cool and comfortable—even with the boldest interior colors.

6. OPEN TAILGATES

The party starts at the back of the boat. Our unique full transom opening tailgate on the Open Series is the easiest way to access the water.

Safe & Easy

Safety on the water is a top priority with Scarab jet boats. Without a traditional propeller, jet power eliminates the risk of exposed blades, giving children and all swimmers the freedom to enjoy the water with peace of mind. Additionally, the innovative reverse gate and electronic shifting system make maneuvering around the dock effortless, providing you with complete control in tight spaces for worry-free docking.

Intelligent Neutral & Reverse

ROTAX® iNR revolutionized jet boat propulsion, allowing you to adjust neutral on-the-fly for effortless station-keeping. With smooth shifting and enhanced low-speed maneuverability, control has never been easier.

Intelligent Debris Free

Leave your worries behind with a new, innovative debris-free pump system by ROTAX® that lets you quickly clear the watercraft intake in seconds—no need to leave your seat. (Available only on 235 Series)

Performance Driven

Experience the rush of unmatched acceleration with Scarab's ROTAX® engines, the horsepower leaders in the marine jet propulsion industry. Designed for enthusiast, this power plant delivers instant, exhilarating response that pushes you back in your seat and puts a smile on your face. Whether you're carving sharp turns or cutting through open water, the burst of power from a ROTAX® engine can transform every ride into an adrenaline-packed adventure.

3yr

In addition to the Scarab factory warranty, ROTAX® provides a 3 year engine warranty.

ROTAX®

The Proven Choice in Jet Power

With over 50 years of engineering excellence and the reliability of over 1.5 million 4-stroke marine engines produced since 2001, ROTAX® engines are built to perform, giving you the confidence to explore without compromise. **Scarab is the engine horsepower leader from boats 16' to 28', regardless of product segment or propulsion.** Scarab and ROTAX®—a partnership designed to deliver power you can trust, every time.

Scarab Factory Warranty

COMPONENTS COVERAGE

Our exclusive factory warranty covers material, labor, and most components for three years (exceptions apply). Claims are processed with advanced software, linking directly to the boat's craftsmen. Trailer warranty is limited to one year.

HULL STRENGTH

A lifetime structural hull or deck warranty applies to the first retail owner. A testimony of hull design and structural engineering makes the warranty transferable to the second owner; limitations apply.

OSMOSIS BLISTER WARRANTY

Our engineered vinyl ester barrier coat is best in class in the jet boat industry for minimizing hull blistering. A process of construction that gives you peace of mind, with a prorated warranty that covers osmotic blistering for five years.

The Outperformer

From the moment you turn the key to every shift out of neutral, we're all about delivering thrills and exceeding expectations. Whether you're carving up your local waters, loading up for wake surfing or fishing, kicking back at your favorite sandbar, we outperform in every way, every time.

Quality

Scarab's robust fiberglass manufacturing process is built to provide a safe and durable product to withstand the harsh elements in the marine environment. With premium finishes and high-quality materials, we set the bar higher because we expect nothing less.

Comfort

Every aspect of the cockpit is designed in-house, blending comfort, ergonomics, and functionality to bring you closer to the water and the ones you love.

Innovation

At Scarab, we dream big and sweat the details, redefining innovation with Bluetooth connectivity, touchscreen controls, and RGB lighting to elevate your boating experience.

Global Dealer Network

Scarab's growing network of certified marine dealers provide expert support, ensuring you have the best experience on and off the water.

The Next Chapter

Scarab was reimagined in 2014 but our roots in the boat industry run deep. In this new era we continue to push the boundaries of performance and innovation. We are excited to be apart of your next chapter.

GROUPE  BENETEAU

A Groupe Beneteau brand, part of the World's Largest Boat Building Family

Groupe Beneteau is built upon a diversified, complementary, and innovative product and services offering supported by a strong brand portfolio, global dealer networks, professional staff, and industry leading production facilities.
